Dear Faculty and Students:

The Licensed Vocational Nurses League of California, Inc. will be holding our 58th Annual Nursing Convention April 6-8, 2011 at the Lions Gate Hotel and Conference Center ~ 3410 Westover Street ~ Sacramento, CA 95652 ~ (916) 643-6222 or Toll free 1-866 -866-7100. Students Day is Thursday April 7, 2011. Our theme is **Positive Thoughts + Positive Actions = Positive Results**. Please come and share your thoughts and suggestions for taking actions to improve our professional status in the work place, communities and legislation. We welcome you to attend all three days or any of the days that will fit your schedule.

Goyette & Associates will make presentations on **"Legal Aspects of Protecting Your License"**, on all three days. They will also have a booth to answer any questions that you may have.

In order to facilitate registration of schools we request that each school or class appoint one person to collect convention registration fees, submit monies and a typed list of students and instructors planning to attend. Upon arrival at the convention, this individual will pick up the registration packet for the entire class or school and be responsible for passing them out. Hopefully this will speed up the registration process.

Two awards of \$100.00 each will be given to the school with the most students in attendance and the other to the school traveling the greatest distance. We hope to see you at one or more of these **Professional Development Days**. We are enclosing a page with two student membership applications for those students wishing to join as student members. Please make enough copies for your students. It would be nice for students to attend as members of the league and be recognized as such at the convention. Those students joining will be sent our quarterly newsletter and may apply for league benefits. We are also enclosing a convention flyer and a school registration form. Convention registration fees are separate from student membership fees. To pay for both, membership is \$10 or \$15 (the \$15.00 is deducted from the first years membership after receiving license and the \$10.00 is good until graduation) registration fees are \$10.00 per day or \$15.00 per day with CEUs for students who are CNAs. The Instructors fees are list on the student registration form, if bringing students to convention.

Sincerely,

Delma V. Gainer-Miller
Convention Coordinator
